Material _____ Colour _____ Rack _____

Sink (make and model) _____ Edge profile _____

Stove (make and model) _____

Template required _____ Note _____

Premeasure and pre-install checklist:

1. The quote is based on the dimensions you provided. The dimensions are used for quoting purposes only. If final sizes are larger after template additional charges may apply.
Prices are based on material used, not full slabs.

Backsplash is not included in the quote, unless specified.

Do you require backsplash? _____ If so what height _____

Up to existing tile _____ Full Height _____

2. It is very important that all cabinets are completely installed prior to the template. All cabinets should be installed level and securely fastened to the wall. SCF will not fasten or level cabinets.

If there are missing cabinets or if cabinets are not installed at time of template, we cannot be responsible for fit. We can email a copy of our final template for you to review and ask you to sign off. If we need to make a return template trip an additional charge will apply and may result in delays of the job.

Please have everything removed from your countertops for the template.

All sinks, appliances or appliance specifications must be on site at time of template.

3. Appliances: Please discuss with our templater whether it is necessary to move your appliances. Some stoves require a filler strip behind the stove. The only way to do that properly is to have the stove out of the way. If we need to move your appliances to complete the installation we cannot be responsible for damage.

Under NO circumstances will our employees disconnect gas lines.

4. Removal of your existing countertops needs to be completed prior to install of your new countertops.

This includes disconnecting sinks and faucets and all built-in appliances as well as cabinets, such as appliance garages, that sit directly on top of the countertop.

Removal and or disposal of countertops is not included in your quote unless specified.

Removal/disposal to be done by:

Customer _____

SCF _____

NOTE: our insurance prevents us from doing any plumbing, gas or electrical work in a customer's home.

If we are removing your existing tops any plumbing, electrical or disconnecting of gas appliances is not included and is the customer's responsibility.
